Hostage: A Novel Robert Crais

The bestselling author of **Demolition Angel** and **L.A. Requiem** returns with his most intense and intricate thriller yet.

As the *Los Angeles Times* said, Robert Crais is “a crime writer operating at the top of his game.” His complex heroes and heroines, his mastery of noir atmosphere, and his brilliant, taut plots have catapulted him into the front rank of a new breed of thriller writers. **Hostage** proves his earlier success was no fluke. It’s an unstoppable read.

An ex-con with delusions of grandeur and his tagalong brother unwittingly team up with a psychopath one wrong word away from meltdown. When their late afternoon joyride turns into a random act of violence, they take a family hostage in the affluent bedroom community of Bristo Camino. Enter Chief of Police Jeff Talley, a stressed-out former LAPD SWAT negotiator who is hiding from his past. Plunged back into the high-pressure world that he desperately wants to forget, Talley soon learns that his nightmare has only begun.

The hostages are not who they seem, and the home contains secrets that even L.A.’s most lethal and volatile crime lord, Sonny Benza, fears. As Talley tries to hold himself together and save the people inside, the full weight of Benza’s wrath descends on him, putting the police chief and his own family at risk. Soon, all involved are held hostage by the exigencies of fate and the only one capable of diffusing the standoff is the least stable of them all.

Hostage is a blistering stand-alone thriller with superb characters in crisis, multistranded plotting, and pitch-perfect Southern California sensibility.

From the Hardcover edition.

From reader reviews:

Megan Martelli:

Reading a e-book can be one of a lot of task that everyone in the world loves. Do you like reading book thus. There are a lot of reasons why people enjoy it. First reading a book will give you a lot of new data. When you read a reserve you will get new information simply because book is one of several ways to share the information or perhaps their idea. Second, examining a book will make you actually more imaginative. When you looking at a book especially tale fantasy book the author will bring you to definitely imagine the story how the figures do it anything. Third, you can share your knowledge to some others. When you read this Hostage: A Novel, it is possible to tells your family, friends and also soon about yours e-book. Your knowledge can inspire the others, make them reading a publication.

Dorinda Kling:

The book untitled Hostage: A Novel contain a lot of information on it. The writer explains your girlfriend idea with easy technique. The language is very simple to implement all the people, so do definitely not worry, you can easy to read this. The book was compiled by famous author. The author will take you in the new age of literary works. You can easily read this book because you can keep reading your smart phone, or program, so you can read the book with anywhere and anytime. If you want to buy the e-book, you can available their official web-site and order it. Have a nice examine.

Cynthia Miller:

That publication can make you to feel relax. This particular book Hostage: A Novel was multi-colored and of course has pictures around. As we know that book Hostage: A Novel has many kinds or variety. Start from kids until teens. For example Naruto or Private eye Conan you can read and think you are the character on there. So , not at all of book are make you bored, any it makes you feel happy, fun and loosen up. Try to choose the best book for you personally and try to like reading which.

Daniel Padilla:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library as well as to make summary for some reserve, they are complained. Just little students that has reading's heart and soul or real their leisure activity. They just do what the instructor want, like asked to the library. They go to there but nothing reading seriously. Any students feel that examining is not important, boring along with can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we wish. Likewise word says, ways to reach Chinese's country. So , this Hostage: A Novel can make you experience more interested to read.
