Los Amores Confiados / Naive Loves Luisgé Martín

In Naïve Loves, Luisgé Martín presents us with a display of humanity's most basic instincts. It is a portrayal of doubts, suspicions, insecurities and obsessions, the lowest and vilest passions and the most absurd actions? those that arise when one lover mistrusts the other. A story of crimes becomes the mirror in which the narrator sees his own life. Two parallel stories facing each other where jealousy slowly transforms each of the characters into his own monster.
