Whitfield Preparatory Academy ought to be the perfect school... Not only does the Academy boast a distinguished faculty and lavish campus, it is also home to the privileged youth of the upper class. They will one day hold the reins of power in the business world and political arena – but for now, they exercise absolute authority at the Academy. For seventeen-year-old Ella Parker, acceptance into the prestigious Academy is a dream come true. But her delight quickly turns to dread when she finds herself in the crosshairs of an elite group of ruthless students dubbed “the Crowd.” Ella's been at the center of unwanted attention before – but never like this – and she'll do anything to make them stop. Anything, that is, apart from accepting the advances of popular and wealthy playboy Jackson Montgomery, the leader of the Crowd. Will Ella be humiliated, or triumph over her tormentors? An irresistible story of faith, friendship, betrayal, and romance, The Crowd will immerse readers in Ella's tumultuous struggle from the very first page.
