Daniel Ruddy

Theodore Roosevelt's History of the United States: His Own Words, Selected and Arranged by Daniel Ruddy Daniel Ruddy

“A splendid piece of work.”
— Edmund Morris

In a unique project, author Daniel Ruddy has carefully extracted Teddy Roosevelt’s most relevant and telling comments—from letters, books, speeches, and other sources—and organized them to form a fairly full, always colorful, and highly opinionated history of the United States up to 1919 (the year TR died). With a preface by *Theodore Rex* author Edmund Morris.
