Book of Shadows Phyllis Curott

"Most people know intuitively that when you fall in love the world is full of magic. What they don't know is that when you discover the universe is full of magic, you fall in love with the world."

When high-powered Manhattan lawyer Phyllis Curott began exploring Witchcraft, she discovered a spiritual movement that defied all stereotypes. Encountering neither satanic rites nor eccentric spinsters, she came to know a clandestine religion of the Goddess that had been forced into hiding over the course of history. **Book of Shadows** recounts Curott's remarkable initiation into Wicca (meaning "wise one") and shares her insights as a high priestess of an elegant, ancient spirituality that celebrates the magic of being alive.

An Ivy-league graduate and promising lawyer, Curott was a typical young woman in her twenties, determined to forge a law career within the burgeoning, male-dominated music industry. But when she began having prophetic dreams and mysterious visions of ancient female figures and unfamiliar symbols, she discovered an unexpected world of magic and began searching for a rational explanation. When her friend Sophia--a practicing Witch--suggested having her cards read by a Wiccan High Priestess, Curott instinctively dismissed the idea, but then forced her natural skepticism aside on the chance that this age-old practice might help her understand the unusual occurrences in her life.

Thus begins her journey into the magical world of Witchcraft, a religion originally practiced by priestesses, shamans, and healers that empowers our lives by working with the natural cycles of nature. Fascinated by this pre-Judeo-Christian religion that honors women as the embodiment of the Goddess and emphasizes respect and love for the natural world, Curott began attending a local coven's weekly circle to learn the sacred arts. Her **Book of Shadows** chronicles her ascent to the position of Wiccan High Priestess and her efforts to reconcile her newfound spirituality with her struggles as a woman rising through the ranks of the corporate world. Along the way, Curott relates the history of Witchcraft and shares many traditional Wiccan practices, such as casting a circle, drawing down the Goddess, harnessing the powers of the natural world, and casting spells for health, prosperity, and love.

Engagingly written and rich with detailed rituals and techniques, this inspirational book traces a modern woman's spiritual journey into a realm of extraordinary experience and enlightenment. **Book of Shadows** provides us with the keys to discover an enchanted world of divine empowerment so as to unlock the power that lies within us all.

From reader reviews:

Fern Gooding:

Precisely why? Because this Book of Shadows is an unordinary book that the inside of the reserve waiting for you to snap it but latter it will distress you with the secret that inside. Reading this book adjacent to it was fantastic author who all write the book in such amazing way makes the content within easier to understand, entertaining method but still convey the meaning entirely. So , it is good for you for not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of advantages than the other book possess such as help improving your skill and your critical thinking method. So , still want to hold off having that book? If I have been you I will go to the e-book store hurriedly.

Timothy Wingo:

Is it a person who having spare time subsequently spend it whole day through watching television programs or just resting on the bed? Do you need something new? This Book of Shadows can be the response, oh how comes? A fresh book you know. You are so out of date, spending your free time by reading in this fresh era is common not a nerd activity. So what these textbooks have than the others?

Janice Hayes:

Do you like reading a book? Confuse to looking for your selected book? Or your book seemed to be rare? Why so many query for the book? But any people feel that they enjoy for reading. Some people likes looking at, not only science book but novel and Book of Shadows or others sources were given know-how for you. After you know how the fantastic a book, you feel need to read more and more. Science reserve was created for teacher as well as students especially. Those ebooks are helping them to bring their knowledge. In additional case, beside science reserve, any other book likes Book of Shadows to make your spare time more colorful. Many types of book like this one.

Ann Amos:

Some individuals said that they feel weary when they reading a reserve. They are directly felt this when they get a half areas of the book. You can choose typically the book Book of Shadows to make your own personal reading is interesting. Your own skill of reading proficiency is developing when you just like reading. Try to choose very simple book to make you enjoy to read it and mingle the opinion about book and reading especially. It is to be initially opinion for you to like to available a book and study it. Beside that the reserve Book of Shadows can to be your brand new friend when you're truly feel alone and confuse using what must you're doing of their time.
