All of these recipes are kid friendly and we guarantee that they will enjoy trying each and every single recipe that is included within the pages of this cookbook.

Place all of your ingredients into one cooking device of your choosing and in a few hours return back to see a meal that is cooked homemade and delicious in which took pretty much no effort at all to prepare in the first place. One main reason for the popularity of meals such as these dump dinners is to not stress over having to figure out what to do for dinner and cook it; you just figure it out, place and it is good to go.

All of the recipes inside of this paleo cookbook were created with kids in mind so have no worries, they will love whatever you make them. With that being said you can choose to have them help you out in the kitchen if you want and turn the whole thing into an amazing learning and hands-on experience.
