Quiet: The Power of Introverts in a World That Can't Stop Talking Susan Cain

The book that started the Quiet Revolution

At least one-third of the people we know are introverts. They are the ones who prefer listening to speaking; who innovate and create but dislike self-promotion; who favor working on their own over working in teams. It is to introverts—Rosa Parks, Chopin, Dr. Seuss, Steve Wozniak—that we owe many of the great contributions to society.

In *Quiet*, Susan Cain argues that we dramatically undervalue introverts and shows how much we lose in doing so. She charts the rise of the Extrovert Ideal throughout the twentieth century and explores how deeply it has come to permeate our culture. She also introduces us to successful introverts—from a witty, high-octane public speaker who recharges in solitude after his talks, to a record-breaking salesman who quietly taps into the power of questions. Passionately argued, superbly researched, and filled with indelible stories of real people, *Quiet* has the power to permanently change how we see introverts and, equally important, how they see themselves.

From reader reviews:

David Martin:

Have you spare time for just a day? What do you do when you have far more or little spare time? Yes, you can choose the suitable activity with regard to spend your time. Any person spent all their spare time to take a wander, shopping, or went to typically the Mall. How about open or perhaps read a book called Quiet: The Power of Introverts in a World That Can't Stop Talking? Maybe it is to get best activity for you. You already know beside you can spend your time with your favorite's book, you can wiser than before. Do you agree with it is opinion or you have some other opinion?

Michael Trumbo:

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that can give you benefit in your life. Together with book everyone in this world can certainly share their idea. Publications can also inspire a lot of people. Many author can inspire all their reader with their story or perhaps their experience. Not only the storyline that share in the books. But also they write about the ability about something that you need case in point. How to get the good score toefl, or how to teach your children, there are many kinds of book which exist now. The authors these days always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this Quiet: The Power of Introverts in a World That Can't Stop Talking.

Rosalie Dietrich:

People live in this new moment of lifestyle always make an effort to and must have the free time or they will get lot of stress from both day to day life and work. So , when we ask do people have free time, we will say absolutely indeed. People is human not just a robot. Then we consult again, what kind of activity do you have when the spare time coming to a person of course your answer may unlimited right. Then do you ever try this one, reading publications. It can be your alternative inside spending your spare time, the particular book you have read is Quiet: The Power of Introverts in a World That Can't Stop Talking.

Joseph Chitwood:

Is it an individual who having spare time after that spend it whole day by watching television programs or just telling lies on the bed? Do you need something totally new? This Quiet: The Power of Introverts in a World That Can't Stop Talking can be the reply, oh how comes? It's a book you know. You are consequently out of date, spending your spare time by reading in this fresh era is common not a nerd activity. So what these books have than the others?
