Recurve (The Elemental Series) (Volume 1) Shannon Mayer

My name is Larkspur, and I am an Elemental.

My people use the power of the earth to sustain life and defy our enemies. I should be at my father's side as a royal princess. But as a half-breed, bastard child, that isn't going to happen.

I've been accused of attacking the queen, my wicked stepmother, and my life is suddenly on the line. I have only two options left to me: banishment, or training to become one of the King's Elite Guards, an Ender. Option one will kill me.

Option two is meant to break me, but it's the only way to survive.

Did I mention I have no power like the rest of the elementals, and my connection to the earth is worth next to nothing?

Could things get any worse? Of course they can. Welcome to being an Elemental
