Draped in darkness, his only hope was her light...

Jake Matthews understands loss. In just one year, he lost his mother, his first love, his career and now his cousin and best friend. But loss is the very thing that allows him to see the amazing woman he's always overlooked. And for the very first time, Jake wants to be worthy of such a pure love.

Naomi Bennett spent the last year finding herself. Running away to Portugal was more than just a trip to find culture, but also an escape from the first man she ever gave her heart to. Now home, the last thing Naomi wants is to catch the eye of notorious playboy, Jake Matthews. But Naomi soon discovers that Jake is not the same person she once knew.

Drawn to his pain, Naomi gets swept up in a whirlwind of circumstances that will shake the very fabric of her precisely planned future and cause her to question every idea she ever had on love.

The highly anticipated conclusion to the Winsor Series. (Can be read as a stand alone novel)
