The Girl Who Fell Into the Sky: A Retelling of Grimms' King Thrushbeard (The Noah and Clare Chronicles Book 1) Buffy Naillon Reviews!

From the judge's commentary for the 23rd Annual Writer's Digest Self-Published Book Awards:

Author has a mastery of surprising us in the book. Introducing the non-woman character at the show seemed like just an observation of a quirky character and a fascinating trend of the era. We had no idea how important that would eventually become. Great plant by the author. It was a story-making twist later on...Settings are rich in detail, dialogue is realistic and engaging, confrontations are tense and paced well (it's a common mistake to rush through them, but author keeps us in the thick of them. Wisely done.) It's a big book, so the risk of a lull in the middle is a particular possibility ... but in this book, there is no lull. It stays exciting and emotional all the way through. Good work.

Absolutely one of the best books I have read.

Beautifully written! You won't want to put it down.

I loved this book. Claire was very brave in the end. It made for a fast read and I liked the story very much.

The story pulls you through and before you know what happened three hours are gone. I promise all you'll want to do is ignore the world outside and get back to this story.

Great book club choice

Description

This retelling of the Grimms' "King Thrushbeard" is a must-read for readers who love reality TV, fairy tales, and dystopian literature!

When reality star Clare King wakes up on her wedding day, she knows only two things...One: that she's about to marry a complete stranger, a beggar off the street...and Two: that her ruthless father set the marriage up. After her father's plans for her wedding day go awry, she is forced to go on the run with her new husband, an enigmatic and handsome man she knows only as John.

But what could have been the most terrifying time of Clare's life turns into something else entirely when this rich-girl-turned-beggar's-wife finds unexpected refuge and love among the dregs of society. Her new life is

shattered when she discovers the cause of SOA, the deadly disease that's ravaging the twenty-second century. Its unexpected origins throw Clare back into her father's world, with devastating consequences to her new-found life and love.

Fans of dystopian romances like "Divergent," "The Hunger Games," and "The Giver" will love this book!

This book contains sensitive subject matter and at times, deals with mature themes.

From reader reviews:

Eric Ray:

People live in this new time of lifestyle always attempt to and must have the spare time or they will get great deal of stress from both lifestyle and work. So , when we ask do people have free time, we will say absolutely without a doubt. People is human not only a robot. Then we ask again, what kind of activity are there when the spare time coming to you actually of course your answer may unlimited right. Then do you ever try this one, reading books. It can be your alternative throughout spending your spare time, the particular book you have read will be The Girl Who Fell Into the Sky: A Retelling of Grimms' King Thrushbeard (The Noah and Clare Chronicles Book 1).

William Fiscus:

As a university student exactly feel bored to reading. If their teacher inquired them to go to the library or even make summary for some reserve, they are complained. Just minor students that has reading's internal or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that reading is not important, boring as well as can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore this The Girl Who Fell Into the Sky: A Retelling of Grimms' King Thrushbeard (The Noah and Clare Chronicles Book 1) can make you truly feel more interested to read.

Nancy Samuel:

What is your hobby? Have you heard this question when you got pupils? We believe that that question was given by teacher for their students. Many kinds of hobby, Every person has different hobby. And you know that little person such as reading or as examining become their hobby. You should know that reading is very important along with book as to be the matter. Book is important thing to add you knowledge, except your own personal teacher or lecturer. You see good news or update in relation to something by book. Amount types of books that can you go onto be your object. One of them is actually The Girl Who Fell Into the Sky: A Retelling of Grimms' King Thrushbeard (The Noah and Clare Chronicles Book 1).

Adrian Johnson:

Reading a e-book make you to get more knowledge from that. You can take knowledge and information from your book. Book is written or printed or descriptive from each source that filled update of news. With this modern era like today, many ways to get information are available for a person. From media social like newspaper, magazines, science book, encyclopedia, reference book, fresh and comic. You can add your understanding by that book. Ready to spend your spare time to spread out your book? Or just seeking the The Girl Who Fell Into the Sky: A Retelling of Grimms' King Thrushbeard (The Noah and Clare Chronicles Book 1) when you needed it?
