Burning Man (A Gideon and Sirius Novel) Alan Russell

LAPD cop Michael Gideon and his police dog partner Sirius became reluctant celebrities after capturing a notorious serial killer in the midst of an inferno. For their heroism, they were chosen to head up the newly formed Special Cases Unit. Now the duo tackles out-of-the-ordinary cases, anything deemed unusual or bizarre even by Hollyweird standards.

When a teenager is found crucified in a city park, Gideon and Sirius are handed the bizarre case. Confronting the gruesome tableau and having to work the case worsens Detective Gideon's PTSD, a condition he has tried to hide from others. Gideon's burns may have healed, but the fire haunts him still...in more ways than one.

Eerily prescient since that terrible night of the fire, Gideon has unusual insights into the crimes he investigates, a skill he and Sirius must learn to trust as much as they do each other if they are to solve—and survive—this case.

From reader reviews:

Anthony Pisano:

In this 21st millennium, people become competitive in each and every way. By being competitive at this point, people have to do something to make these people survive, being in the middle of the particular crowded place and notice simply by surrounding. One thing that often many people have underestimated this for a while is reading. Yeah, by reading a book your ability to survive rises then having a chance to stand up than others is high. To suit your needs who want to start reading a book, we give you this kind of Burning Man (A Gideon and Sirius Novel) book as nice and daily reading e-book. Why, because this book is greater than just a book.

Eric Overbay:

As people who live in the actual modern era should be change about what is going on or details even knowledge to make all of them keep up with the era that is always changing and advancing. Some of you maybe will update themselves by reading through books. It is a good choice in your case but the problems coming to you actually is you don't know which one you should start with. Evelyn Nay:

People live in this new moment of lifestyle always try and must have the time or they will get lots of stress from both everyday life and work. So, once we ask do people have time, we will say absolutely yes. People are human not really a robot. Then we request again, what kind of activity do you possess when the spare time comes to anyone of course your answer can be unlimited right. Then ever try this one, reading publications. It can be your alternative within spending your spare time, often the book you have read will be Burning Man (A Gideon and Sirius Novel).

Brian Seery:

As a university student exactly feel bored for you to reading. If their teacher requested them to go to the library as well as to make a summary for some reserve, they are complained. Just little students that have reading's internal or real their hobby. They just do what the instructor wants, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring and can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. So, this Burning Man (A Gideon and Sirius Novel) can make you really feel more interested to read.
