Everywhere we look today, we see evidence of unrest in the world around us: people suffering, cultures at war, crimes against the innocent, and devastation from natural disasters. We long for peace, in our hearts and in our homes, though it often seems impossible to find. But, there is hope! "Finding Peace in the Midst of Chaos" reveals the secrets to having peace in our lives. This book makes no promise that all of our problems will magically disappear. Life is not like that. It does, however, show us how to manage the struggles in our lives to give us the victory over worry, anxiety, and guilt that rob us all of inner peace. Through personal testimonies and stories from God's word, it demonstrates how a few simple principles can make a difference in our lives and provides practical tools to help us on our journey toward discovering peace, as we grow in our relationship with Christ. This book is simple and easy to read, and the steps are easy to follow, offering real solutions to real problems. Every journey begins with one step. Are you ready to take the first one toward true and lasting peace in your life?
