I Love How You Love Me: The Sullivans Bella Andre

"Not since Nora Roberts has anyone been able to write a big family romance series with every book as good as the last. Bella Andre never disappoints." ~ Laura, The Revolving Bookcase Reviews BOOK

DESCRIPTION: Dylan Sullivan, a renowned boat builder, has spent his entire life sailing around the world. But while he's always enjoyed the freedom of the ocean, when Grace Adrian shows up at his Seattle boathouse to interview him for a magazine, it's love at first sight. Love for both Grace and her ten-month-old son, Mason, with whom Dylan has an immediate bond. And every moment they spend together makes Dylan more and more certain that a love like theirs is worth risking everything for. A year and a half ago, Grace's entire world turned upside down. Not only did she learn that she was pregnant, she also found out that she was nothing but a dirty little secret to her boyfriend and his elite Washington D.C. family. Since then, Grace has been rebuilding her life in Seattle, giving one hundred percent of her attention to her son and her freelance writing career. Believing she can never risk her heart—or her son's—again, especially to a man like Dylan who could sail away at any moment, Grace tries desperately to guard her heart from the charismatic and sexy sailor. For as sweet and protective as Dylan is during the day, at night when one incredibly hot kiss turns into so much more, Grace simply can't find a way to keep from tumbling into his arms again and again. But can she ever learn to trust in love again? I LOVE HOW YOU LOVE ME is part of Bella Andre's New York Times and USA Today #1 bestselling Sullivan series. While it can easily be read as a stand-alone story, you'll likely enjoy reading the earlier Sullivan books, too.
