Numb Lee Stevens

What if the only pain you can feel is in your mind? What if the guilt of your past hurts more than any weapon ever could? What if you hate the life you live but can't escape it? And what if things are about to get much worse...? For Riley Day, reluctant enforcer for crime lord Mike Nash, worse is about to happen. The biggest gangwar the city of Thirnbridge has ever seen is about to erupt in bloodshed and threaten the lives of not only those involved but those of innocent men, women and children. Forced into a plot of murder and revenge, Riley will discover corrupt and evil forces willing to do anything to get what they want and who are prepared to kill anyone that stands in their way. And, in the end, it will be left to him alone to stop them...

From reader reviews:

James Ellis:

Book is definitely written, printed, or highlighted for everything. You can learn everything you want by a guide. Book has a different type. To be sure that book is important point to bring us around the world. Beside that you can your reading talent was fluently. A reserve Numb will make you to always be smarter. You can feel more confidence if you can know about every thing. But some of you think that will open or reading some sort of book make you bored. It is not make you fun. Why they may be thought like that? Have you in search of best book or appropriate book with you?

Tom Burkhardt:

This Numb are usually reliable for you who want to be considered a successful person, why. The explanation of this Numb can be one of many great books you must have will be giving you more than just simple reading food but feed a person with information that maybe will shock your previous knowledge. This book is definitely handy, you can bring it just about everywhere and whenever your conditions in the e-book and printed people. Beside that this Numb forcing you to have an enormous of experience such as rich vocabulary, giving you demo of critical thinking that we realize it useful in your day activity. So , let's have it and revel in reading.

Kathryn Kern:

Your reading 6th sense will not betray you, why because this Numb guide written by well-known writer who really knows well how to make book that could be understand by anyone who also read the book. Written in good manner for you, dripping every ideas and writing skill only for eliminate your own personal hunger then you still doubt Numb as good book not simply by the cover but also from the content. This is one reserve that can break don't judge book by its cover, so do you still needing one more sixth sense to pick this particular!? Oh come on your looking at sixth sense already said so why you have to listening to another sixth sense.

Laura Burnham:

Do you like reading a e-book? Confuse to looking for your chosen book? Or your book seemed to be rare? Why so many concern for the book? But virtually any people feel that they enjoy to get reading. Some people likes looking at, not only science book but also novel and Numb or maybe others sources were given know-how for you. After you know how the great a book, you feel wish to read more and more. Science guide was created for teacher or students especially. Those guides are helping them to include their knowledge. In various other case, beside science guide, any other book likes Numb to make your spare time more colorful. Many types of book like this.
