Poor Justice: How the Poor Fare in the Courts Vicki Lens

Poor Justice: How the Poor Fare in the Courts provides a vivid portrait and appraisal of how the lives of poor people are disrupted or helped by the judicial system, from the lowest to the highest courts. Drawing from court room observations, court decisions, and other material, this book spans the street level justice of administrative hearings and lower courts (where people plead for welfare benefits or for a child not to be taken away), the mid-level justice of state courts (where advocates argue for the right to shelter for the homeless and for the rights of the mentally disabled), and the high justice of the Supreme Court (where the battle for school integration has represented a route out of poverty and the stop and frisk cases illustrate a route to greater poverty, through the mass incarceration of people of color). *Poor Justice* brings readers inside the courts, telling the story through the words and actions of the judges, lawyers, and ordinary people who populate it. It seeks to both edify and criticize. Readers will learn not only how courts work, but also how courts sometimes help - and often fail - the poor.

From reader reviews:

Sarah Stiles:

Do you have favorite book? When you have, what is your favorite's book? Guide is very important thing for us to find out everything in the world. Each publication has different aim as well as goal; it means that publication has different type. Some people sense enjoy to spend their time and energy to read a book. They are really reading whatever they have because their hobby is definitely reading a book. What about the person who don't like examining a book? Sometime, particular person feel need book once they found difficult problem or even exercise. Well, probably you'll have this Poor Justice: How the Poor Fare in the Courts.

Linda Long:

What do you regarding book? It is not important together with you? Or just adding material if you want something to explain what yours problem? How about your extra time? Or are you busy man? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have spare time? What did you do? Every person has many questions above. They have to answer that question mainly because just their can do that will. It said that about reserve. Book is familiar in each person. Yes, it is proper. Because start from on pre-school until university need this kind of Poor Justice: How the Poor Fare in the Courts to read.

Mamie Esters:

The reason? Because this Poor Justice: How the Poor Fare in the Courts is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who have write the book in such wonderful way makes the content inside of easier to understand, entertaining approach but still convey the meaning totally. So , it is good for you for not hesitating having this ever again or you going to regret it. This book will give you a lot of rewards than the other book get such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

Megan Kelly:

Are you kind of stressful person, only have 10 or maybe 15 minute in your time to upgrading your mind ability or thinking skill actually analytical thinking? Then you are receiving problem with the book as compared to can satisfy your limited time to read it because all of this time you only find book that need more time to be examine. Poor Justice: How the Poor Fare in the Courts can be your answer because it can be read by anyone who have those short free time problems.
