The Elements of Playwriting

Louis E. Catron

The Elements of Playwriting Louis E. Catron

For those interested in learning and honing the art and craft of creative playwriting! With an infectious enthusiasm for the theater, Catron presents the basic principles of playwriting, including plot, dialogue, and character development, as well as the more complex issues of creating multi-dimensional characters and writing stageworthy plays that will attract producers, directors, actors, and audiences. Throughout, he sprinkles examples from classical and modern plays, provides exercises for sharpening and developing skills, and offers practical guidelines on working with actors and directors, getting produced and published, and finding an agent. Favoring concrete advice over theory, *The Elements of Playwriting* is an invaluable resource for both beginning and advanced playwrights and for anyone involved in the art and craft of theater. Special features: 1) provides step-by-step techniques for improving a play; 2) includes information about copyright, agents, organizations, and references; and 3) offers end-of-chapter exercises for fine-tuning creative application of topics discussed.
