Practical tools to develop nurse leaders and inspire staff

This resource outlines the most definitive principles of leadership development, taking nurse managers from standard supervisors to inspiring leaders.

A Practical Guide to Leadership Development uses practical examples to highlight important leadership competencies as a way to help healthcare leaders meet the challenges of today's healthcare systems. The competencies were developed with input from top professional societies, including the American Organization of Nurse Executives. The book covers leadership competencies such as:

- Effective communication and relationship management
- Mentorship, coaching, and professional development
- Change management and project leadership

In an industry of increasing competition and clinical staffing issues, it's important to raise the standard of professional nursing development at your facility. Rely on ***A Practical Guide to Leadership Development*** to **cultivate a healthy nursing environment, boost retention, and develop your future leaders.**

Take a look at the Table of Contents:

Chapter 1: Leadership dimensions and processes
Chapter 2: Knowledge of the healthcare environment
Chapter 3: Competencies: Professionalism and business skills
Chapter 4: Systems thinking: Big thinking for local success
Chapter 5: Communication
Chapter 6: Building a positive work environment
Chapter 7: Professional development
Chapter 8: Change management and project leadership
Chapter 9: Retention strategies: Retaining the best, leaving the rest
Chapter 10: Succession planning

Who should buy this book?

A Practical Guide to Leadership Development: Skills for Nurse Managers is the perfect resource for

nurse managers, CNOs, DONs, nurse educators, directors of education, and staff development specialists.

Samuel Freeman:

Playing with family in a park, coming to see the sea world or hanging out with close friends is thing that usually you may have done when you have spare time, then why you don't try thing that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love A Practical Guide to Leadership Development: Skills for Nurse Managers (Core Skills for Nurse Managers), you could enjoy both. It is good combination right, you still wish to miss it? What kind of hang type is it? Oh come on its mind hangout folks. What? Still don't understand it, oh come on its identified as reading friends.

Margaret Holt:

As a college student exactly feel bored to help reading. If their teacher asked them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's heart or real their interest. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading very seriously. Any students feel that reading is not important, boring along with can't see colorful pictures on there. Yeah, it is to get complicated. Book is very important to suit your needs.

As we know that on this time, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this A Practical Guide to Leadership Development: Skills for Nurse Managers (Core Skills for Nurse Managers) can make you truly feel more interested to read.
