Bear and his forest friends are eating their lunch when Bear feels that something strange is happening to one of his teeth. The tooth wiggles and wobbles and bear gets very upset. How will he eat if his tooth falls out? Thankfully, Bear's friends know all about loose teeth. Hare takes a look at the tooth and Mouse reassures Bear that "A new tooth will grow / where the old used to be." The best thing to do is to get the old tooth out so that new one can grow in.
