Two green cops blown away on the killer walkways of New York. Fort Apache, The Bronx...the 41st Precinct where nobody ever gets a second chance and most don't even have a first. Now the Force is on the prowl under a tough new captain who is determined to shape up this last command. A command for losers where life is mean and death is often murder and where the law of the jungle is the only law. Made into a major motion picture starring Paul Newman, Ken Wahl, Edward Asner and Pam Grier.
