Hyde's Dungeon: Unchained

Yamila Abraham

Hyde's Dungeon: Unchained Yamila Abraham

The man in charge of 'torturing' a dictator's prisoners has initiated the dictator's son to the brand of pleasure he inflicts. **Alphonse feared Hyde once, but is now his loyal submissive.** On his visit home from college he insists his master gives him one of their rapturous sessions. Unfortunately, Hyde is scheduled to treat a prisoner to his charms that night.

He welcomes Alphonse to watch, but he must know he treats the prisoners differently than someone he loves. **Alphonse will get the rare opportunity to see his master unchained.**

The Dungeon is a bizarre bastion of kindness in an otherwise ruthless world. Hyde uses tools that are somewhat unique--tools that could be used for legitimate torture if a master so desired.

There are no paddles or whips in Hyde's dungeon. Hyde specializes in something far more extreme. *From the author of The Demon or the Emperor!*
