A man with a dark secret and a woman without a heritage fight to have it all even as the world tries to tear them apart...

Malachi Hawkins left his home to move west as soon as he was old enough. Running from a family secret that he can never escape, he takes a job on the ranch of an old family friend, Lee Rose.

The first night he's there, he meets Christian Rose, Lee's foster daughter, a young woman of mixed Comanche blood. They call her a savage and treat her like the family slave, but Mal doesn't see a savage at all. He sees a woman of unbelievable strength--and a kindred spirit.

But his secret is bound to catch up with him, and when it does, it could destroy both of them forever...
