Don't Count Time, Make Time Count!

Tick ... tick ... tick ... can't find enough time? Find out how to use it far more wisely by the man who successfully run multiple business ventures simultaneously. Dan Kennedy has been called the "Professor of Harsh Reality" because he doesn't deal in glib, pabulum solutions and eye-rolling cliches you've heard incessantly on time management.

He takes on the world of cell phones, PDAs, faxes, e-mails, and every other communication device that pervade our lives, suggesting when to tap it, and when to give it the heave-ho. This entrepreneur/consultant/author/speaker has a whirlwind business life, yet manages to fit everything in using a handful of home-brewed time management tools he swears by.

He shows how to maximize your time with a fresh take on the mantra that "time is money." It's all about using disciplined productivity strategies Kennedy has devised over 30 years of managing highly-profitable businesses with only minimal help.
