Peter Pan

J M Barrie

Peter Pan J M Barrie

Barrie never described Peter's appearance in detail, even in the novel *Peter and Wendy*, leaving much of it to the imagination of the reader and the interpretation of anyone adapting the character. Barrie mentions in *Peter and Wendy* that Peter Pan still had all of his baby teeth. He describes him as a beautiful boy with a beautiful smile, "clad in skeleton leaves and the juices that flow from trees". In the play, Peter's outfit is made of autumn leaves and cobwebs. His name and playing the flute suggest the mythological character Pan.

Traditionally, the character has been played on stage by an adult woman. In *Peter Pan in Scarlet*, Geraldine McCaughrean adds to the description of his appearance, mentioning his blue eyes, and saying that his hair is light (or at least any colour lighter than black). In this novel, Never Land has moved on to autumn, so Peter wears a tunic of jay feathers and maple leaves. In the *Starcatcher* stories written by Dave Barry and Ridley Pearson, Peter has carrot-orange hair and bright blue eyes.

In the Disney films, Peter wears an outfit that was easier to animate, consisting of a short-sleeved green tunic and tights apparently made of cloth, and a cap with a red feather in it. He has pointed elf-like ears, and his hair is a very red auburn. In the live-action 2003 film, he is portrayed by Jeremy Sumpter, who has blond hair and blue eyes, and his outfit is made of leaves and vines. In *Hook*, he is played as an adult by Robin Williams with dark brown hair, but in flashbacks to his youth his hair is more orangish. In this film his ears appear pointed only when he is Peter Pan, not Peter Banning; his Pan clothing resembles the Disney outfit.
