The Complete Linda Lovelace Eric Danville

The Complete Linda Lovelace: A Deeper-Than-Deep Look at America's First Porn Queen is the only authorized biography of the most controversial pop-culture icon ever. Adult-industry journalist Eric Danville examines the life and career of Linda Lovelace through an analysis of almost 100 newspaper and magazine articles chronicling her rise to fame in the groundbreaking porn film Deep Throat; her later attempts at mainstream acceptance; her return to adult magazines in 2001; and her tragic death the following year. Other chapters present critical reviews of films starring or inspired by Lovelace; dozens of books and songs about her; her alliance with anti-pornography feminists in the '80s; and the first interview she granted a member of the adult press in 25 years. This revised edition comes supplemented with QR codes and URLs linking to multimedia downloads of rare memorabilia, factoids and the author's interviews with key players including Linda Lovelace herself.
