## The Wall Chart of World History (From Earliest Times To The Present)

"Six millennia of world history at a glance, in more than 400 illustrations. Through thousands of dates, facts and quotes, all in chronological sequence, a 30-foot, visual panorama of history literally unfolds, revealing untold treasures inside. Great empires, dynasties, rulers from King Solomon to the present day, exciting inventions, and dramatic discoveries: this magnificent, fully updated chart covers 40 centuries before Christ and 20 centuries after his birth. Based on the famous and now very rare Victoria wall chart, first published in 1890, it maintains the traditional design, but with new maps, charts, and information that go right up to [1990]. With coverage of the Ancient, Medieval, and Modern Worlds; Geochronological Timecharts; images of sculptures and costumes; ethnologies; and lots more, this one-of-a-kind item can be displayed on the wall or used as a handy educational reference." -- Publisher's description.
