College Reading and Study Skills (13th Edition)

Kathleen T. McWhorter, Brette M Sember

College Reading and Study Skills (13th Edition) Kathleen T. McWhorter, Brette M Sember
For courses in Developmental Reading.

College Reading and Study Skills approaches reading and studying as inseparable skills, crucial to success in college and beyond. It teaches reading, critical thinking, and study skills while demonstrating their interdependency. Students are encouraged to approach reading and study skills as methods of selecting, processing, and organizing the information to be learned. The text also covers time management, analysis of learning style, note-taking strategies, improving vocabulary, and strengthening critical comprehension—all elements crucial to student success.

Also available with MyReadingLab™

MyReadingLab is an online homework, tutorial, and assessment program designed to complement this text by engaging students and improving results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them develop their reading skills — ultimately promoting transference of those skills to college-level work. Full-length readings and assignments from the text are available in the etext version of MyReadingLab, strengthening the connection between the classroom and work done outside of class.

Note: You are purchasing a standalone product; My**ReadingLab** does not come packaged with this content. Students, if interested in purchasing this title with MyReadingLab, ask your instructor for the correct package ISBN and Course ID. Instructors, contact your Pearson representative for more information.

If you would like to purchase both the physical text and My**ReadingLab**, search for:
