General Practice: The Clinical Survival Guide Rupal Shah

Written for GPs new to the workplace, this easy-to-access guide is essential to all GP Registrars and those approaching the MRCGP examinations. "General Practice: The Clinical Survival Guide" contains 18 chapters covering all the latest guidelines on the management of common conditions. It is also a good practical reference for specialty topics like orthopaedics, ENT and urology. It offers constructive advice on obscure topics that GPs are often faced with and includes information that isn't readily available to all GPs on their VTS courses.
