The Emerald Rider (Dragoneer Saga Book Four) M. R. Mathias

In the wake of the Confliction, the Mainland Frontier is trying to reestablish itself. Over a year has passed since their victory over the alien shape shifter and its vicious Sarax. Jenka was infused with powerful Dour magic and has assumed some of the alien's intelligence, but immediately after the battle he disappeared with Crimzon, and no one knows when, or if, they will ever return. With little help from King Richard, who is intent to rule the islands and leave his side of the wall to its fate, Queen Zahrellion, and the other Dragoneers are struggling to make sense of their place in the world, while unbeknownst to them an evil witch is plotting terrible mayhem. Jenka, saturated with magic to the point of near insanity, will have to focus just to stay in the world of the living. A deranged wizard, who pits magicked priests against the demons he summons, has Clover's petrified form and no intention of giving it up. Jenka gave his word to get her back and must go alone, deep into the wizard's temple to find her. Valiant escapades, wicked battles, and heart wrenching loss await readers in this fourth installment of the bestselling Dragoneer Saga. Hold onto your dragon!

M. R. Mathias has several other titles available from Amazon, including:
