Business Law and the Legal Environment, Standard Edition (Available Titles CengageNOW) Jeffrey F. Beatty, Susan S. Samuelson

"Concepts in context." It's an approach unique among business law textbooks and one of the main reasons Beatty and Samuelson's BUSINESS LAW AND THE LEGAL ENVIRONMENT is so successful in the classroom. From the very first chapter, the authors' superb writing fascinates, drawing students into the concepts of business law within the context of vivid examples and memorable scenarios. Throughout, provocative questions encourage students to reflect about what they are reading-teaching by example using activities that foster active learning and show students how to think through issues from a lawyer's perspective. No other text is as effective at helping students learn how to apply concepts and contexts to their practice, and in teaching them why business law matters not only to their careers but also to their daily lives.
