Chicken in a Cage is the second book of a trilogy set in Southeast Asia and China. The first book, Truth Gone Missing, introduced Laney and Cade, two seasoned travellers, whose vacation in Malaysia turned out to be a journey through a maze of theft, poaching, kidnapping, and murder. A year after their return to California, Laney and Cade set out again -- this time to Borneo. Because the trip is not to be a long one, they treat themselves to a stay at the luxurious Iban Longhouse Resort, where they intend to relax by a river in the midst of a tropical rain forest. Their peace is soon violently disrupted by murder, attack by pirates, and kidnapping -- all the result of a crime-web woven by self-serving officials and tribal members, corrupt developers and conservationists, alienated travellers and refugees, discontented employees and dysfunctional family members -- each a suspect, and each a Chicken in a Cage.
