Proxy Warriors: The Rise and Fall of State-Sponsored Militias Ariel Ahram

In this book, Ariel Ahram offers a new perspective on a growing threat to international and human security—the reliance of 'weak states' on quasi-official militias, paramilitaries, and warlords.

Tracing the history of several "high profile" paramilitary organizations, including Indonesia's various militia factions, Iraq's tribal "awakening," and Iran's Revolutionary Guard and Basij corps, the book shows why and how states co-opt these groups, turning former rebels into state-sponsored militias. Building on an historical and comparative empirical approach that emphasizes decolonization, revolution, and international threat, the author offers a new set of policy prescriptions for addressing this escalating international crisis—with particular attention to strategies for mitigating the impact of this devolution of violence on the internal and international stability of states.

From reader reviews:

Ruth Brinkman:

In this 21st hundred years, people become competitive in each way. By being competitive today, people have do something to make them survives, being in the middle of the particular crowded place and notice by means of surrounding. One thing that occasionally many people have underestimated the idea for a while is reading. Sure, by reading a book your ability to survive boost then having chance to stand than other is high. In your case who want to start reading some sort of book, we give you that Proxy Warriors: The Rise and Fall of State-Sponsored Militias book as beginning and daily reading reserve. Why, because this book is more than just a book.

Bill Underhill:

Information is provisions for folks to get better life, information today can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider while those information which is from the former life are difficult to be find than now is taking seriously which one is appropriate to believe or which one the particular resource are convinced. If you find the unstable resource then you get it as your main information it will have huge disadvantage for you. All of those possibilities will not happen with you if you take Proxy Warriors: The Rise and Fall of State-Sponsored Militias as the daily resource information.

Alice Olivares:

Is it anyone who having spare time then spend it whole day simply by watching television programs or just resting on the bed? Do you need something new? This Proxy Warriors: The Rise and Fall of State-Sponsored Militias can be the solution, oh how comes? A fresh book you know. You are and so out of date, spending your spare time by reading in this brand-new era is common not a nerd activity. So what these textbooks have than the others?

John Wiser:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just small students that has reading's heart and soul or real their passion. They just do what the educator want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring along with can't see colorful photos on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this era, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. So , this Proxy Warriors: The Rise and Fall of State-Sponsored Militias can make you feel more interested to read.
