Roll With It: Brass Bands in the Streets of New Orleans (Refiguring American Music) Matt Sakakeeny

Roll With It is a firsthand account of the precarious lives of brass band musicians in New Orleans. These young men are celebrated as cultural icons for upholding the proud traditions of the jazz funeral and the second line parade, yet they remain subject to the perils of poverty, racial marginalization, and urban violence that characterize life for many black Americans. The gripping narrative follows members of the Rebirth, Soul Rebels, and Hot 8 brass bands from back street to backstage, before and after Hurricane Katrina, always in step with the tap of the snare drum, the thud of the bass drum, and the boom of the tuba.
