Masaru Emoto

El milagro del agua (The Miracle of Water) (Spanish Edition) Masaru Emoto

Emoto has photographed thousands of water crystals throughout his years of research, yet few have been as beautiful and life affirming as those formed from the words love and gratitude. In *The Miracle of Water*, he explores the significance of words and language, and explains the key concept of resonance, the vehicle through which life force energy is transmitted, to draw out lessons that we can apply to our lives and reap the benefits of positive resonance, including more harmonious relationships, restored health, and improved communications.

Description in Spanish:

Masaru Emoto ha fotografiado miles de cristales de agua a lo largo de sus años de investigación. Sin embargo, pocos de ellos han sido tan bellos y vitales como aquellos formados por las palabras amor y gratitud. En *El milagro del agua*, Emoto explora el significado de las palabras y el lenguaje y sus repercusiones en el agua. Además, presenta y explica el concepto de la resonancia, medio por el cual se transmite la energía de la vida. A partir de este conocimiento, nos muestra lecciones que podemos aplicar a nuestra cotidianidad para cosechar los beneficios de una resonancia positiva, como tener relaciones afectivas más armoniosas, restituir la salud y mejorar la comunicación. El autor afirma que cualquier persona puede experimentar profundas transformaciones al expresar pensamientos de amor y gratitud, como lo han confirmado sus experimentos con los cristales de agua. Este libro, generoso en meditaciones, incluye nuevas y extraordinarias fotografías que nos invitan a elegir palabras positivas y esforzarnos para alcanzar una resonancia perfecta que nos lleve a una vida sana y pacífica.
