Murder in Mykonos: Chief Inspector Andreas Kaldis Mysteries (Chief Inspector Andreas Kaldis Series Book 1) Jeffrey Siger

A young woman on holiday on Mykonos, the most famous of Greece's Aegean Cycladic islands, simply disappears off the face of the earth. And no one notices.

When politically incorrect, hot-shot detective Andreas Kaldis is promoted out of Athens to serve as police chief for Greece's island paradise of Mykonos, he's certain his homicide days are over. Murders don't happen in tourist heaven; at least that's what he's thinking as he stares at the remains of a young woman found ritually bound and buried on a pile of human bones inside a remote mountain church.

Teamed with the canny, nearly-retired local homicide chief, Andreas tries to find the killer before the media can destroy the island's fabled reputation with a barrage of world-wide attention on a mystery that's haunted Mykonos undetected for decades.

Just when it seems things can't get any worse, another young woman disappears and political niceties no longer matter. With the investigation now a rescue operation, Andreas finds himself plunging into ancient myths and forgotten island places, racing against a killer intent on claiming a new victim who is herself determined to outstep him.
