The Black Madonna, Christ, and the Black God and Goddess of the Bible Gert Muller

This is a powerful presentation of the astonishing fact that amongst White European nations their most sacred icons of the Madonna and Christ are black in colour. This comprehensive book shows you the images in full glorious technicolour. It is the only place where the profound national historical significance of these black images is discussed. They are so little known in comparison to their great importance. A must buy for those interested in a historically correct image of not just Jesus Christ, but the whole concept of deity in ancient times. The God of the Bible is based on a Black God and Goddess! The Black Goddess of the Bible is actually named! Pictures of the Black God and Goddess are shown here! This knowledge led the author along a voyage of discovery involving the Hebrew and Canaanite role in the African fight for Western Asia. A must read for those interested in a Black Egypt and the African role in the Bible! This book is illustrated throughout with beautiful colour pictures!
