Theirs Was the Kingdom

R. F. Delderfield

Theirs Was the Kingdom R. F. Delderfield

The eagerly awaited reissue of the second novel in R. F. Delderfield's classic God Is an Englishman series

Theirs Was the Kingdom is a stirring saga of England in the late 19th century, as the Industrial Revolution takes hold, forever changing the landscape of England and her people.

The 1880s in England were a laissez-faire decade of national optimism and prosperity, of rampant colonialism, typhoid epidemics, and a Diamond Jubilee. This follow-up novel to *God Is an Englishman* continues the saga of the Victorian giant of commerce Adam Swann, his tough-minded wife Henrietta, and their five children. This prolific tale records the triumphs and tragedies of a memorable family and a nation at the height of its imperial power.

A beloved novel by a beloved author, **Theirs Was the Kingdom** is a luminous historical novel of a family's fortune and a nation's destiny.
