## Book #1 of the Bestselling Running With Alphas Story

Just when she thinks her life can't get any worse, Taylor meets alpha wolf Alder—the most caring, gallant, and handsome man on the planet. On the run from the police, there's no way she could possibly get involved with him. But somehow she does anyway.

Alder seems to be convinced that the two of them are going to live happily ever after in his mountain territory. But between looming pack wars, her dicey past, and his twin brother—the most obnoxious, sadistic, and handsome man on the planet—Taylor has a feeling that her new life among werewolves may be just as complicated as her human one.
