Wolf Among Wolves Hans Fallada

This sweeping saga of love in dangerous times – the 1923 collapse of the German economy, when food and money shortages led to rioting in the streets and unemployed soldiers marauding through the countryside —is deemed by many to be Hans Fallada’s greatest work. Yet its 1938 publication made his publisher so fearful of Nazi retribution that he told Fallada, “If this book destroys us, then at least we’ll be destroyed for something that’s worth it.”

It appears here in its first unabridged translation into English, based on a contemporaneous translation by Philip Owens that has been revised and restored by Thorsten Carstensen and Nicholas Jacobs. Carstensen also provides an afterword discussing why the original version of the book was so heavily edited ... and why Fallada’s publisher thought a love story might get them killed.

This is a **Hybrid Book**.

Melville House HybridBooks combine print and digital media into an enhanced reading experience by including with each title additional curated material called **Illuminations** — maps, photographs, illustrations, and further writing about the author and the book. The Melville House Illuminations are free with the purchase of any title in the HybridBook series, no matter the format.
