Captured S.J. Harper

Join FBI Agents Emma Monroe and Zack Armstrong. She's a Siren. He's a Werewolf. Their mission is redemption. Emma Monroe is a Fallen Siren, cursed by the gods and banished to Earth for her failure to prevent the kidnapping of Persephone. She's had many names and many lives, but only one mission: redemption. Now she works for the FBI and is on temporary assignment in Charleston. Solving this next missing persons case could be the key to ending her ancient curse-unless the temptation that's her new partner gets in the way. Zack Armstrong is a Werewolf. Tall, dark, and dangerous, he currently works for one of the bureau's elite Child Abduction Rapid Deployment teams. In many respects the man is every bit as mysterious as his secret and perilous past. But there are two things he's certain about, that he's going to get his man and his woman. When Zack finds himself suddenly shy a partner and a third child goes missing in Charleston, Emma goes from consultant to CARD team member in the space of a few hours. The abductions of the first two boys ended in murder, an outcome that neither Zack nor Emma can abide. As they race against time to track down the kidnapper and rescue the latest victim, they find themselves fighting something just as treacherous-a growing attraction that can't be ignored or denied.

From reader reviews:

Shawn Holmes:

Information is provisions for individuals to get better life, information currently can get by anyone with everywhere. The information can be a understanding or any news even a problem. What people must be consider when those information which is in the former life are challenging be find than now's taking seriously which one is suitable to believe or which one the actual resource are convinced. If you have the unstable resource then you obtain it as your main information there will be huge disadvantage for you. All those possibilities will not happen inside you if you take Captured as your daily resource information.

Gerald Stewart:

This book untitled Captured to be one of several books this best seller in this year, here is because when you read this book you can get a lot of benefit into it. You will easily to buy that book in the book retail store or you can order it via online. The publisher in this book sells the e-book too. It makes you more readily to read this book, as you can read this book in your Smartphone. So there is no reason to you personally to past this publication from your list.

Amanda Mathis:

This Captured is completely new way for you who has interest to look for some information because it relief your hunger details. Getting deeper you into it getting knowledge more you know or else you who still having tiny amount of digest in reading this Captured can be the light food for yourself because the information inside this specific book is easy to get by means of anyone. These books develop itself in the form that is certainly reachable by anyone, yep I mean in the e-book application form. People who think that in book form make them feel tired even dizzy this publication is the answer. So there is no in reading a guide especially this one. You can find actually looking for. It should be here for you actually. So , don't miss the idea! Just read this e-book type for your better life and knowledge.

Karyn Turner:

What is your hobby? Have you heard in which question when you got learners? We believe that that issue was given by teacher to their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person such as reading or as studying become their hobby. You need to know that reading is very important in addition to book as to be the point. Book is important thing to include you knowledge, except your personal teacher or lecturer. You see good news or update regarding something by book. Many kinds of books that can you decide to try be your object. One of them is actually Captured.
