El libro del cordel rojo: The Red String Book, Spanish-Language Edition Yehuda Berg

As Yehuda Berg revealed in *The 72 Names of God*, hidden beneath the surface of ancient texts are powerful technologies that can transform one's life. In this book, as in his other works, Berg reveals the practical application of a methodology that was once dismissed as superstition. *The Red String Book*, the second entry in the *Technology for the Soul* series, reveals the antidote to the negative effects of the "Evil Eye." The Evil Eye is a very powerful negative force transmitted through unfriendly stares and unkind glances. The sages of Kabbalah understood that seemingly harmless envious eyes and looks of ill will are, in fact, anything but harmless. They can actually stop a person from realizing his or her full potential in every area of life. In this authoritative book, Berg takes readers to the source of the cure for the Evil Eye, the Red String, and shows how to utilize this surprisingly simple technology for life-changing results.
