Hard Work: Remaking the American Labor Movement

Rick Fantasia, Kim Voss

Hard Work: Remaking the American Labor Movement Rick Fantasia, Kim Voss

This concise overview of the labor movement in the United States focuses on why American workers have failed to develop the powerful unions that exist in other industrialized countries. Packed with valuable analysis and information, *Hard Work* explores historical perspectives, examines social and political policies, and brings us inside today's unions, providing an excellent introduction to labor in America.

Hard Work begins with a comparison of the very different conditions that prevail for labor in the United States and in Europe. What emerges is a picture of an American labor movement forced to operate on terrain shaped by powerful corporations, a weak state, and an inhospitable judicial system. What also emerges is a picture of an American worker that has virtually disappeared from the American social imagination. Recently, however, the authors find that a new kind of unionism—one that more closely resembles a social movement—has begun to develop from the shell of the old labor movement. Looking at the cities of Los Angeles and Las Vegas they point to new practices that are being developed by innovative unions to fight corporate domination, practices that may well signal a revival of unionism and the emergence of a new social imagination in the United States.

From reader reviews:

William Emmer:

Do you have favorite book? When you have, what is your favorite's book? Publication is very important thing for us to know everything in the world. Each publication has different aim or perhaps goal; it means that e-book has different type. Some people truly feel enjoy to spend their a chance to read a book. These are reading whatever they consider because their hobby will be reading a book. Consider the person who don't like examining a book? Sometime, man or woman feel need book if they found difficult problem or even exercise. Well, probably you will require this Hard Work: Remaking the American Labor Movement.

Michael Burr:

What do you concerning book? It is not important to you? Or just adding material when you need something to explain what you problem? How about your time? Or are you busy man or woman? If you don't have spare time to try and do others business, it is give you a sense of feeling bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question simply because just their can do that will. It said that about reserve. Book is familiar on every person. Yes, it is suitable. Because start from on guardería until university need this Hard Work: Remaking the American Labor Movement to read.

Larry Moore:

People live in this new time of lifestyle always make an effort to and must have the extra time or they will get great deal of stress from both daily life and work. So , if we ask do people have time, we will say absolutely indeed. People is human not really a huge robot. Then we inquire again, what kind of activity are there when the spare time coming to anyone of course your answer may unlimited right. Then do you try this one, reading books. It can be your alternative inside spending your spare time, the actual book you have read is Hard Work: Remaking the American Labor Movement.

Calvin Copher:

Playing with family in a very park, coming to see the water world or hanging out with close friends is thing that usually you might have done when you have spare time, in that case why you don't try factor that really opposite from that. One particular activity that make you not experience tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of knowledge. Even you love Hard Work: Remaking the American Labor Movement, you may enjoy both. It is excellent combination right, you still want to miss it? What kind of hang type is it? Oh can happen its mind hangout people. What? Still don't buy it, oh come on its called reading friends.
