The Cherry Orchard

Anton Chekov

The Cherry Orchard Anton Chekov

As produced by London's Old Vic and later, New York's BAM (Brooklyn Academy of Music) in 2009.

Anton Chekhov was a master whose daring work revolutionized theatre. *In The Cherry Orchard*, his last full-length play, an impoverished landowning family is unable to face the fact that their estate is about to be auctioned off. Lopakhin, a local merchant, presents numerous options to save it, including cutting down their prized cherry orchard. But the family is stricken with denial. *The Cherry Orchard* charts the precipitous descent of a wealthy family and in the process creates a bold meditation on social change and bourgeois materialism.
