This book is written for those who are suffering from the trials of life and for those who want to help. It is for those who are thinking about joining a recovery group or entering a treatment center for addiction or codependency. It is also for those who are currently in such a program and for those who have tried twelve-step programs and found them lacking. The Bobgans examine codependency/recovery teachings, Alcoholics Anonymous, twelve-step groups, and addiction treatment programs from a biblical, historical, and research perspective. They urge believers to trust in the sufficiency of Christ, the Word of God, and the fellowship of the saints.
