Welcome to the Orthodox Church—its history, theology, worship, spirituality, and daily life. Mathews-Green provides commentary and explanations on everything from how to “venerate” an icon, the Orthodox understanding of the atonement, to the Lenten significance of tofu. It’s the perfect book for inquirers and newcomers, but even readers who have been Orthodox all their say they learned things they never knew before. Enjoyable, easy-to-read, and leavened with humor, *Welcome to the Orthodox Church* is a gracious guide to the ancient faith of the Christian East.
