• **Waterproof • Tear-Resistant • Topographic Map**

At over 3,500 square miles the size of Yellowstone National Park is hard to absorb. This four title Map Pack Bundle helps to bring this enormous park into sharper focus. Each map covers a section of the park but still provides enough overlap with the adjacent maps to allow all four to be used easily. The maps cover the different areas of the park so that a visitor can move easily from geysers to lakes to waterfalls to the deep backcountry. One of the main draws of Yellowstone National Park is the wildlife, these maps clearly show the Bear Management Areas that have been established to reduce the conflict between humans and the large bear population. The maps include trails with mileages between intersections as well as numerous points of interest such as campgrounds, visitor centers, trailheads, and many more.
