Hiding in Plain Sight: The Incredible True Story of a German-Jewish Teenager's Struggle to Survive in Nazi-Occupied Poland Betty Lauer

It is 1938. Berta Weissberger, twelve years old, lives in Hindenburg, Germany, with her mother and older sister. Her father has already left for America, and the family is awaiting the arrival of their American visas.

These hopes and plans are destroyed at the end of October 1938, however, when Jews are rounded up, loaded onto trucks, and driven to the Polish border. They are forced to cross a river into Poland and ordered, "Keep walking and do not turn back. Anyone attempting to turn back will be shot."

So begins Bertel's six-year terrifying odyssey in Nazi-occupied Poland. While living a life of constant vigilance and fear, Bertel grows into womanhood. Again and again, Providence steps in and saves her, guiding her to the right person or place.

It is Betty Lauer's abiding faith in a higher power that enabled her to survive while hiding in plain sight, during the dark night of Nazi Germany, and to tell this remarkable story of great evil and of the nobility of the few who dared to defy the evildoers. An extraordinary story of strength, resilience, hope, and salvation.
