Love: Emotion, Myth, and Metaphor

Robert C. Solomon

Love: Emotion, Myth, and Metaphor Robert C. Solomon

Love - our hearts yearn for it, we fall into it or out of it, we'll do almost anything to attain and keep it. Those who have experienced the "power of love" whirl from its embrace. It is delicious anguish, gut-wrenching pain, and intoxicating allure. Nations go to war over it, crimes are committed to satisfy its demands, lives are often ruined because of it, and extraordinary feats of courage and sacrifice are performed in its name. But beyond the cliches and greeting card platitudes, do we really understand what love is, and how it alters the way we think, feel, and behave?

Should love be viewed as little more than a lusty romp, or is there more to it? What is the relationship between love and romance, caring, concern, compassion, thoughtfulness, sex, and the many other components that our society jumbles together in this potent potpourri whose power can give strength to the weakest among us, or turn powerhouses of strength into emotional mush.

It is precisely because love is such an important part of our lives that we owe it to ourselves to reach beyond overwhelming passion and the roadblocks of illusion to achieve real understanding of this extraordinary human phenomenon. It won't always be easy - in fact, it's sometimes quite painful. But the rewards are many for those who will risk exploring their own cherished attitudes about a subject that has held us in its grip for centuries and shows no signs of letting go.

Some of the topics covered are:

- What I Feel in My Heart
- On the (Alleged) Origins of Romantic Love
- What Do I Want When I Want You?
- Why Do I Love You?
- The Importance of Being Honest
- Love, Sex, and Intimacy
- Beyond Sex and Gender
- What's So Good About Love?

From reader reviews:

David Guyton:

Have you spare time for a day? What do you do when you have more or little spare time? Yep, you can choose the suitable activity with regard to spend your time. Any person spent their particular spare time to take a wander, shopping, or went to typically the Mall. How about open as well as read a book entitled Love: Emotion, Myth, and Metaphor? Maybe it is for being best activity for you. You realize beside you can spend your time with the favorite's book, you can smarter than before. Do you agree with it is opinion or you have various other opinion?

Eddie Drennan:

This Love: Emotion, Myth, and Metaphor is great book for you because the content that is certainly full of information for you who else always deal with world and get to make decision every minute. This kind of book reveal it details accurately using great manage word or we can claim no rambling sentences inside. So if you are read that hurriedly you can have whole details in it. Doesn't mean it only will give you straight forward sentences but challenging core information with splendid delivering sentences. Having Love: Emotion, Myth, and Metaphor in your hand like keeping the world in your arm, data in it is not ridiculous just one. We can say that no guide that offer you world throughout ten or fifteen small right but this guide already do that. So , this is good reading book. Heya Mr. and Mrs. busy do you still doubt in which?

Debbie Clark:

In this age globalization it is important to someone to acquire information. The information will make you to definitely understand the condition of the world. The condition of the world makes the information quicker to share. You can find a lot of references to get information example: internet, magazine, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. Typically the book that recommended to your account is Love: Emotion, Myth, and Metaphor this guide consist a lot of the information from the condition of this world now. This specific book was represented just how can the world has grown up. The dialect styles that writer use to explain it is easy to understand. The writer made some research when he makes this book. Honestly, that is why this book acceptable all of you.

Nicolas Olsen:

As a university student exactly feel bored to help reading. If their teacher questioned them to go to the library or make summary for some book, they are complained. Just minor students that has reading's heart or real their passion. They just do what the instructor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that examining is not important, boring in addition to can't see colorful pics on there. Yeah, it is to be complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this Love: Emotion, Myth, and Metaphor can make you really feel more interested to read.
