These all gay versions of four popular fairy tales include:

The Prince & The Pill

When a sexy stranger arrives at the castle, the "queen" devises a unique test to determine if his claims of being a real gay prince are true.

Has Prince Andrew finally found another true gay prince with whom to share his kingdom (and his muscular body) in the Enchanted Forest?

The Naked Emperor's New Clothes

Two horny gay con artists plot to take advantage of the Emperor's vanity and penchant for new clothes by claiming to be weavers with magic cloth that appears invisible to anyone who is unworthy to see it.

Can they literally charm the pants off the Emperor and trick him into giving them what they really want – access to all the naked male bodies they can get their hands on?

Jack & His Beanstalk

Jack and his roommate Ben devise a business plan that gives Jack's "beanstalk" a good workout. Then, Jack is in for a big surprise when he trades his sexual services with a strange man in the woods in exchange for five magic beans.

Later, when slim Jack goes begging for something to eat at the castle in the clouds, he has two choices – get eaten by the giant or eaten out (and more) by the giant's husband!

Joe White & The Seven Dudes

"Mirror, mirror, on the wall, who's the hottest and the queerest of them all?"

Sexy and muscular Joe White barely survives a jealous wizard's wrath by trading his sexual talents for his life. Later, it's up to the seven dudes to work Joe over (as a team) in order to break a terrible curse.

These gay versions turn the classic stories into true "fairy tales."
