GI Brides: The Wartime Girls Who Crossed the Atlantic for Love Duncan Barrett, Nuala Calvi

For readers enchanted by the bestsellers *The Astronaut Wives Club*, *The Girls of Atomic City*, and *Summer at Tiffany's*, an absorbing tale of romance and resilience—the true story of four British women who crossed the Atlantic for love, coming to America at the end of World War II to make a new life with the American servicemen they married.

The “friendly invasion” of Britain by over a million American G.I.s bewitched a generation of young women deprived of male company during the Second World War. With their exotic accents, smart uniforms, and aura of Hollywood glamour, the G.I.s easily conquered their hearts, leaving British boys fighting abroad green with envy. But for girls like Sylvia, Margaret, Gwendolyn, and even the skeptical Rae, American soldiers offered something even more tantalizing than chocolate, chewing gum, and nylon stockings: an escape route from Blitz-ravaged Britain, an opportunity for a new life in affluent, modern America.

Through the stories of these four women, *G.I. Brides* illuminates the experiences of war brides who found themselves in a foreign culture thousands of miles away from family and friends, with men they hardly knew. Some struggled with the isolation of life in rural America, or found their soldier less than heroic in civilian life. But most persevered, determined to turn their wartime romance into a lifelong love affair, and prove to those back home that a Hollywood ending of their own was possible.

G.I. Brides includes an eight-pages insert that features 45-black-and-white photos.

The book was authored by the very famous author. Mcdougal makes some research previous to write this book. This book very easy to read you may get the point easily after perusing this book.

James Yancey:

Your reading 6th sense will not betray anyone, why because this GI Brides: The Wartime Girls Who Crossed the Atlantic for Love book written by well-known writer whose to say well how to make book which might be understand by anyone who have read the book. Written inside good manner for you, dripping every ideas and producing skill only for eliminate your own hunger then you still uncertainty GI Brides: The Wartime Girls Who Crossed the Atlantic for Love as good book but not only by the cover but also through the content. This is one guide that can break don't determine book by its cover, so do you still needing a different sixth sense to pick this specific!? Oh come on your reading through sixth sense already said so why you have to listening to yet another sixth sense.

Gretchen Clark:

As a pupil exactly feel bored for you to reading. If their teacher expected them to go to the library or even make summary for some e-book, they are complained. Just very little students that has reading's heart or real their passion. They just do what the teacher want, like asked to go to the library. They go to right now there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this GI Brides: The Wartime Girls Who Crossed the Atlantic for Love can make you experience more interested to read.
