Happy Mondays Simon Spence

"Their story is a vindication for every northern hooligan rock band out there. Happy Mondays sparked a British guitar pop renaissance." - Alan McGee

In 1985, when the Happy Mondays exploded onto the Manchester music scene like a Molotov cocktail, no one had heard anything like them before. As they developed into the face of the Acid House 'Madchester' movement, critics ranked them alongside The Velvet Underground and the Sex Pistols as cultural lightning rods, and that was just for the music.

The stories of their excesses are the stuff of rock 'n' roll legend: the overdoses, fights on stage, the death threats, the gangsters, the stabbings and shootings in the studio. Yet this seemingly unhinged and uncontrollable band - encouraged by their equally crazed benefactors at Factory Records - transformed British music forever, leaving behind five infectious albums of unparalleled dirt and delight.

Twenty-five years after their breakthrough appearance on Top of the Pops, in November 1989, Simon Spence, the acclaimed biographer of The Stone Roses: War and Peace, tells the story of how the Happy Mondays came to provide the soundtrack to Britain's last great youth movement. Based on extensive interviews with the band and key associates, he reveals the truth behind the mythic stories that have ensured their outlaw reputation, and unravels the chaos that led to the group's ultimate implosion and the tragic collapse of Factory Records.

A riotous mix of pills, thrills and joyous chart hits, this is the untold story of Britain's greatest rock 'n' roll gang.

From reader reviews:

Alicia Wescott:

Spent a free time for you to be fun activity to do! A lot of people spent their sparetime with their family, or all their friends. Usually they performing activity like watching television, planning to beach, or picnic in the park. They actually doing ditto every week. Do you feel it? Do you need to something different to fill your current free time/ holiday? Could be reading a book could be option to fill your free time/ holiday. The first thing you will ask may be what kinds of reserve that you should read. If you want to consider look for book, may be the book untitled Happy Mondays can be good book to read. May be it can be best activity to you.

Scottie Kelly:

Does one one of the book lovers? If so, do you ever feeling doubt when you are in the book store? Aim to pick one book that you find out the inside because don't determine book by its cover may doesn't work this is difficult job because you are afraid that the inside maybe not since fantastic as in the outside seem likes. Maybe you answer is usually Happy Mondays why because the excellent cover that make you consider in regards to the content will not disappoint you. The inside or content will be fantastic as the outside or perhaps cover. Your reading 6th sense will directly show you to pick up this book.

Doris McNeal:

As a pupil exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some guide, they are complained. Just little students that has reading's heart or real their passion. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that reading through is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore this Happy Mondays can make you experience more interested to read.

Terrance Oneal:

Some individuals said that they feel weary when they reading a book. They are directly felt this when they get a half areas of the book. You can choose the book Happy Mondays to make your personal reading is interesting. Your own skill of reading expertise is developing when you including reading. Try to choose very simple book to make you enjoy to study it and mingle the impression about book and reading through especially. It is to be first opinion for you to like to open up a book and study it. Beside that the book Happy Mondays can to be your brand new friend when you're truly feel alone and confuse in what must you're doing of that time.
